Journal Entry from 5th grade Rome

So far my life is fine. I've learned that the best way to make money is to sell baked goods. Also, do not partner up with someone because the dreidel decides your fate. So, if your partner rolls a thief, you're a thief too!

Mommy ate the blue one, then there were four.

Four little Easter eggs, two and two you see,
Daddy ate the green one, then there were three

Three little Easter eggs, before I knew,
My sister ate the yellow one, then there were two.

The Real Meaning of EASTER

I know that we all like getting candy and going on Easter egg hunts on Easter. Did you know that is not the real meaning of Easter? The real meaning of Easter is that Jesus died on the cross and forgave us of our sins. The people that killed Jesus put Him in a tomb. He was there for three days and arose on the third day, so we could go to Heaven. So the next time you are receiving candy or going on an Easter egg hunt, stop and think what life would be like if Jesus had not died on the cross.

I hope everyone has a

Happy Easter!!
