Academic Excellence

Carried Out in the DCS Way

Biblical Worldview Shaping — Shown by D: Demonstrate Your Faith

Delaware Christian School believes that all Christian Education should include teachings and activities based on the Word of God and presented through the perspective of God's sovereign and providential purpose. Isaiah 54:13-17; Mark 12:30; Phil. 1:6; Phil. 2:12-13

Partnering with Parents — Shown by C: Care for Others More than for Yourself

Delaware Christian School recognizes that children are a gift from the Lord to the family. All education is a cooperative effort between parents, faculty, and the local church. (Deuteronomy 6:6-7; Ephesians 6:4)

Academic Excellence — Shown by S: Study to the Best of Your Ability

Delaware Christian School strives to enlighten the understanding and form the habits and manners of students through a solid, evaluated and approved, biblically based curriculum. We believe that the curriculum prepares students for useful service as family members, as active members of local churches, as students in institutions of higher learning, and as valuable members of society. I Timothy 4: 6; II Timothy 2:15

Expected Student Outcomes

Recognizing that God is the source of truth revealed in His Word and His creation (Psalm 19; 2 Timothy 3:16–17), we have established the following Expected Student Outcomes for Delaware Christian School.

4. Be equipped to share the Gospel and other biblical truth to edify other believers and introduce the lost to Christ. (Matthew 28:19–20; Ephesians 4:1–16)

Academic: We expect Delaware Christian School students to

1. Demonstrate the ability to think critically and communicate effectively. (2 Corinthians 10:5; Philippians 1:9–11; Philippians 4:8)
2. Be academically prepared to pursue, based upon their giftedness, their individual college and/or career goals. (Colossians 2:8; Colossians 3:23; 1 Peter 3:15)
3. Exhibit good study habits and a commitment to lifelong learning. (Proverbs 1:5; Proverbs 4:13; Proverbs 9:9)

Social: We expect Delaware Christian School students to

Statement of Faith

Being a ministry of Delaware Bible Church, we hold to the same doctrinal Statement of Faith as fully presented at www.delawarebible.org. The following statements summarize key points of that document:

1. We believe the **Scriptures** to be the inspired, inerrant, infallible Word of God.
2. We believe in the triune **God**, eternally existing in the Father, Son, and Holy Spirit.
3. We believe **Jesus Christ** to be the eternal Son of God, who became man, born of a virgin, to live a sinless life, die, and rise for the redemption of sinful man. He now lives in heaven as the believers' Representative, Intercessor, and Advocate.
4. We believe that the **Holy Spirit** is a Person who convicts the world of sin, is the agent of regeneration, and indwells and seals the believer.
5. We believe that **man** was created in the image and likeness of God, but with Adam's sin inherited a sinful nature and is utterly unable to redeem himself.
6. We believe that **salvation** is a gift of God, brought to man by grace and received by personal faith in the Lord Jesus Christ alone.
7. We believe God to be the **Creator** of all things. As Creator, He created in six literal 24-hour days. We believe that God created mankind in His image, assigning gender to His people, male (man) and female (woman), as He created them sexually (identified on a physical level) and biologically (identified at a chromosomal level) different, but with equal personal dignity and value.
8. We believe the **family** is an institution set up by God, beginning with the union of a male and female. The sexual union of a male and female was established within the context of a marriage exclusively. We believe that homosexual activity is condemned in Scripture as a degrading and indecent act.

School Day Schedule

Secondary Schedule Grades 6–12 8:15 A.M.–3:15 P.M.

Drop-off Procedures

When dropping off students in the morning at DCS, enter the parking lot from the 3rd entrance off Belle. Proceed to the left and circle the parking lot. Please pull as close to the corner as possible to unload your child.

There are parking spaces close for parents in front of the gym lobby entrance. Parents may also park in spaces that are not numbered near the church entrance.

Arrival Schedule

7:00 A.M.–8:00 A.M.

Only elementary students in BeforeCare will be allowed in the building before 8:00 a.m. Middle school and high school students with sports practices before school will be allowed in the building to participate in their practice. All other students must wait outside the building. The overhang in front of the main entrance will provide a sheltered location to wait for the school to open.

8:00 A.M.–8:15 A.M.

The building is open for all students to come and prepare for class by 8:15 a.m.

Late Arrival

It is the expectation of DCS that all students arrive at school on time.

Classes begin at 8:15 a.m. Students arriving after 8:15 a.m. are considered tardy. Middle school students arriving after 8:20 a.m. must check in with the office before proceeding to class. This will allow all students in the building to be accounted for. Please note below that each unexcused tardy will result in a warning.

Excused tardies include the following: illness, injury, medical or dental appointments, emergency family situations, and other situations approved by the Delaware Christian School administration.

Parent and Student Handbook 2024-2025

Early Dismissal

Students leaving school before the end of the school day should adhere to the following guidelines:

Students are not to be on campus after 3:45 P.M. without adult supervision.

Middle school students who are enrolled part-time must attend all of their periods to participate in any extracurricular activities.

Parent and Student Handbook 2024-2025

- Students who receive EdChoice funding may not accumulate 20 unexcused absences in a year. Accumulation of 20 or more unexcused absences will result in a report to the Ohio Department of Education (ODE), and the student will immediately lose their EdChoice funding.
- Middle school students who accumulate 30 or more excused or unexcused absences in a given class will not receive credit and need to retake the class during the summer through an approved online or in person school.
- At the discretion of the Delaware Christian School administration, middle school students who accumulate 30 or more excused or unexcused absences in a given school year will be asked to withdraw from the school and will not be considered for readmission for one full school year following their withdrawal.

Chronic absenteeism may require the school administration to ask the student to withdraw from the school and notify the local school district per Ohio truancy laws.

INTERVENTION SERVICES

At Delaware Christian School, we believe that every student has the ability to learn. While some students may need more support than others, we believe every student can reach their God-given potential. As a private school, we do not offer formal special education classes, services, or resources. Delaware Christian School is a non-public school. Upon entering DCS, parents give up their rights to enforce state and/or city-generated plans and supports, including but not limited to IEPs and 504s. While we use city schools for some testing and resources, we are not bound by the decisions of a student's home district. This does not mean that we are unable to support our struggling students. Every student has access to in-class supports from our teachers and multiple opportunities throughout the day to seek academic assistance. We offer two unique support plans for students who need more specialized support. Our DCS intervention team crafts our support plans and may include direct instruction in areas of difficulty outside of the general education classroom or support inside the general education classroom. We offer some supports to some students to assist them in overcoming some deficiencies to perform at their best.

Disclosures

- The Intervention Department follows a strict confidentiality policy. DCS will obtain parental permission before requesting or providing student information. Student information will only be shared on a need-to-know basis.
- Delaware Christian School does not discriminate based on disability. We reserve the right to offer services only to those students who qualify for one of our support plans.
- Student support plans may be amended or removed when academic performance improves over a sustained period of time or when an evaluation determines the student is no longer eligible for support. Specific supports offered to students may be added or removed based on student needs.

Parent and Student Handbook 2024-2025

Service Plans

At DCS, we offer the following three service plans to our school families:

- **DCS Academic Service Plan**
- **DCS Accommodation Plan**
- **DCS Health Service Plan**

These plans are designed to meet the unique needs of our students. Because of the specialized support that these plans offer, each plan requires additional time and effort from our staff. Since our mission is to partner with parents and students to promote academic excellence, each plan will require extra time and effort from parents and students. We believe that every student can learn. We also believe that for some students to learn, they must work harder than many of their peers. In the same way, parents of some students must be far more involved in their child's education than parents of other students. DCS support plans are designed to help students progress to a point where they no longer need the plan.

Academic Program

Definition

Delaware Christian School offers a traditional classroom academic program designed to meet the needs of each individual enrolled. The curriculum is developed by teachers and administrators in connection with state standards and standardized testing. A strong emphasis on biblical worldview shaping is made in all grade levels. The faculty and staff at Delaware Christian School strive to train students to see the world through the lens of biblical truth in all disciplines as they “take captive every thought” for the glory of God.

Textbooks

Students are issued books for one year to use in the classroom. Guidelines for student textbooks can be found in Appendix D of the Policies and Procedures Handbook.

Grading

The purposes of grading are as follows:

- to provide students and parents with an assessment of the student’s achievement in the current curriculum
- to enable teachers to identify and address areas of needed student improvement
- to provide information necessary for proper student promotion and course placement
- to provide information necessary for high school graduation and college acceptance
- to recognize academic excellence and classroom achievements

Grades, progress reports, report cards, assignments, and homework can be accessed through the student information system provided by the school.

Grading Scales

The following grading scale is used in all Delaware Christian School classes:

A+	98–100	B+	88–89	C+	78–79	D+	68–69
A	93–97	B	83–87	C	73–77	D	63–67
A-	90–92	B-	80–82	C-	70–72	D-	60–62

All grades 59 and below receive an F.

Elementary teachers may use a different scale to denote student progress in areas where numeric grades are not given.

Homework

Delaware Christian School homework is designed to assist in the fulfillment of specific learning objectives as outlined in the curriculum. Homework is assigned regularly and is aligned to each student’s age and grade. It serves the following functions:

- It is a review and reinforcement or preview and presentation of classroom material.

Parent and Student Handbook 2024-2025

- It provides meaningful activities to develop mastery of appropriate skills.
- It aids in the development of self-discipline and conscientious study habits.
- It prepares the student for future responsibilities after graduation.

In Grades 6–8, the following guidelines will apply to all assignments:

- All homework, projects, and written assignment grade reductions and consequences will be handled by the teacher on a case-by-case basis at the teacher’s discretion.
- Two (2) “Next Day Passes” will be given to each student for each core subject class taken each quarter. It is the student’s responsibility to notify their teacher and turn in a “Next Day Pass” to receive full credit for their homework with no additional consequence. The homework is then due the next time the class meets from the due date. Students may not use both passes on the same assignment. If the pass is not turned in on the assigned homework due date, if a student has used both passes or the assignment is not turned in the following day on the use of the “Next Day Pass”, the following consequence will apply to assigned homework:

If a student does not have the assigned homework on the set due date, then the student will be required to **call a parent or guardian** to report the missing assignment and will receive a **50% grade reduction** upon turning in the assignment on the following class meeting day. If a student does not have the assigned homework on the second day from the original due date, then the student **will not receive credit** for the assigned homework.

- For longer projects and written assignments not completed by the due date, students will receive one letter grade deduction per day for all late projects and large written assignments. Students will not receive any credit for projects and written assignments completed more than four days after the due date.
- Students with an excused absence may complete missed schoolwork. Students will have one day for every class period missed complete missed assignments. The classroom teacher will set a time for the completion of missed tests and quizzes. Longer projects and large written assignments that were assigned more than one day prior to the absence are due on the assigned date.
- DCS Administration reserves the right to alter homework assignments and due dates in individual cases.

Study Hall

Study halls are designated times for students to complete class assignments and/or to prepare for upcoming tests or quizzes.

It is the goal of DCS that students only have no more than two study halls per day. Students may be granted the ability to take more than that by administration.

Parent and Student Handbook 2024-2025

Study halls are a privilege, and students who repeatedly fail to adhere to the following rules will be assigned a detention or an academic course at the discretion of administration.

- Students are required to remain quiet as they work.
- Students are not permitted to sleep.
- Students may not play games unless it is a reward from the study hall teacher.
- Students are required to have a book to read or assignments to complete when reporting to study hall.
- Students may only use computers for assignments with teacher permission during study hall.
- Students may not study together unless given permission by the Study Hall teacher.

Extra Curricular Activities

Extra Curricular events include but are not limited to clubs, drama and all sporting practices. Participation in these events are to be determined by the staff member designated by administration. Continued participation in these events may be ended by the staff member and is subject to the following academic guidelines:

Students with two “D’s” or one “F” in any class will not be allowed to participate until the grades are raised.

The staff member in charge of the activity has the right to determine if partial participation while raising the grade is allowed.

Standardized Testing

Students in Grades 6–11 take a standardized test each spring. This test also meets the graduation testing requirements mandated by the Ohio Department of Education (ODE). Delaware Christian School also uses the STAR 360 Renaissance test for diagnostic evaluations.

Academic Probation

Students whose grades are failing and show no improvement will be placed on academic probation and encouraged to raise their GPA. Middle School students with a D grade average or lower will be required to attend after school tutoring or Academic lab sessions. While the student remains on academic probation, periodic review will be made with the student and parent to provide a plan to improve academics as well as risk being removed from participation in extracurricular activities. If no discernable effort is made to raise the GPA, students may be asked to repeat the failed course or withdraw from Delaware Christian School.

Eligibility for Promotion

Delaware Christian School recognizes the importance of carefully evaluating all aspects of a student’s development before making final decisions regarding promotion, retention, or dismissal. Delaware

Parent and Student Handbook 2024-2025

Christian School reserves the right to dismiss or retain a student after proper notification to parent and student.

Satisfactory completion of the middle school grades is determined by the following:

- receiving a passing grade in all core subjects (Bible, English, Math, Science, and History)
- student performance on standardized tests and assessments
- consultation among parents, teachers, and administrators

Remediation for Failed Courses

A student receiving a semester failing grade in a core subject will need to complete and pass a remediation course during the summer months as required by Delaware Christian School. The student will be responsible for the cost of the remediation course and transcripts need to be provided showing the passing of the remediation course prior to the start of the new school year. A student will be dismissed if a passing grade is not obtained in the remediation course prior to the start of the new school year. (Note: failure of a core subject does not automatically result in grade retention.)

Parent-Teacher Conferences

- Parent conferences may be scheduled by parent, teacher, or administrator request at any time during the school year. (Note: Parents are expected to speak with a teacher regarding all classroom issues before involving a school administrator.)

Honor Roll and Merit Roll

Middle school students who achieve academic excellence will be recognized on the yearly honor and merit rolls. The honor roll will be reserved for students earning all A's in all core classes; the merit roll will include students earning all A's and B's in all core classes.

Exams

Only 8th grade students will take exams in the spring. If given, all middle school exams will count toward the final grade for the quarter in which the exam is taken. It is counted as a double test grade.

College Credit Plus (CCP)

- ❖ College Credit Plus is Ohio's dual enrollment program that can be utilized by students to earn college and high school credits at the same time by taking courses from Ohio colleges or universities.
- ❖ The administration at DCS highly recommends students in Middle School not take CCP.
- ❖ Middle School students may not use CCP classes to replace required courses.
- ❖ Middle School students must take a CCP class outside school hours.
- ❖ Middle School students interested in CCP must meet with the High School academic advisor before signing with the state.

Parent and Student Handbook 2024-2025

Part-time students at Delaware Christian School are defined as students who are taking and paying for one to four classes on campus with no intent to graduate from Delaware Christian School. Classes are defined as academic and/or arts classes that take place during normal school hours.

- Students may take any class that is not already full.

SERVICE HOURS

At Delaware Christian School, our core value of Biblical Worldview Shaping involves helping our students understand ministering to others. We are called to serve others as a response to what Jesus has done for us. Ephesians 2:10 says, "For we are his workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them."

In light of this, here are the goals for DCS service hours:

- To have students serve in all 4 quarters of the school year
- For DCS to give multiple ideas and avenues for students to choose service
- To require service opportunities to be chosen by students and parents, not DCS

Service can fit into 2 categories and can be used in any combination:

1. Any service outside the school or home that is **initiated by the student or parent**. Examples would include but not be limited to:
 - Helping in a Sunday School or Junior Church Class
 - Cleaning or preparing services at a local church
 - Serving with a church on a mission trip or at a nursing home
 - Serving at a Church Food Bank
 - Helping the DCS Community with service posted in the newsletter
 - Helping DCS families with projects or babysitting
2. Any service inside the school that is not created by DCS. Serve Day, Mission Trips, or NHS hours completed during the school day will not count. In school service that will count includes but is not limited to:
 - Helping a teacher with bulletin boards, or any task within the school
 - Helping the office with filing
 - Helping admissions with tours

Parent and Student Handbook 2024-2025

The service hours will be required to be filled as follows:

	Quarter 1	Quarter 2	Quarter 3	Quarter 4	Total
6th Grade	3 hours <i>3 may come from summer</i>	3 hours	3 hours	3 hours	12 hours
7th Grade	3 hours <i>3 may come from summer</i>	3 hours	4 hours	4 hours	14 hours
8th Grade	3 hours <i>3 may come from summer</i>	4 hours	4 hours	4 hours	15 hours

All service hours must be recorded and submitted in Sycamore. Students must record the date of the service, and in the notes box a brief explanation of the service and the supervising adult of the service completed. Any submissions missing this information will not be approved. The principal will approve all service hours by the end of the quarter.

Service hours must be completed by the end of each quarter. Students who do not fully complete and turn in their service hours by the given deadline will be placed on probation. Probation will last until the missed service hours are made up. While on probation, students may not participate in any extracurricular activities including practices and games. Students who remain on probation for an entire quarter will be subject to further consequences that may include possible dismissal from DCS.

Serving within your own family will not be counted as a consistent source of service hours.

Students who are having difficulty finding a place to fulfill their service hours should first talk with their parents about helping them engage in service. Contact the appropriate principal if the students and parents still cannot find a place to serve.

Parent and Student Handbook 2024-2025

Technology Philosophy

Delaware Christian School embraces the emergence of technology as an effective tool to enhance learning and to prepare students for real-world experience. Technology, however, cannot supplant the dynamic interaction between the teacher and the learner.

Intentional opportunities to use technology do not include the use of personal devices during the school day. Unintended consequences from the use of personal devices often include poor decision-making, a lack of relationship-building throughout the community, and general disruption within the learning environment.

DCS School Cell Phone and Smart Device Policy

Any middle school student who brings a cell phone or smart device (ie. smart watch, tablet, air pods, etc.) to school that are not issued by the school will lock the device inside a school issued Yondr Pouch.

Before students enter the classroom at the beginning of the day, they will:

- 1) Turn their phone off.
- 2) Place their phone inside their pouch and lock it.
- 3) Present their pouch to a teacher for inspection.
- 4) Place the locked device pouch in their locker for the school day.

Administration reserves the right to random locker checks for compliance of phone lock up policy

Middle School students may not store their pouch in their backpack, bag, or person. At the end of the day, each student will open their pouch, remove their phone, and leave the pouch in their assigned locker until the next school day. Middle School students may not take the Yondr pouch home.

* Students arriving late or leaving early will pouch/unpouch their phones in the office.

All students who bring a cell phone or smart device to school must request a school issued phone pouch. No phones may be at school unless the student has a school assigned phone pouch.

Any student who is found with their phone or smart device during school hours on them, in their bookbag, etc. or found using a phone or smart device will have the phone/device confiscated and placed in the office. The student will need to pay a \$50.00 fine to get the phone back. Each additional offense will result in a \$40 fine, a call home, and a detention. The student's parent will have to pick up the student's phone from the office. Students who damage their pouch beyond normal wear and tear will be issued a \$30 fine.

Any Middle School student who loses their assigned Yondr pouch will be fined \$30 and issued a second pouch. If a student loses more than one pouch in a semester, the student will be fined \$30 per pouch and given a detention.

Parent and Student Handbook 2024-2025

Middle School students will not be allowed to have a phone or smart device during any school events, even those that take place off campus unless permission is granted by administration for that event.

If a student must contact a parent during the day, they will be required and permitted to use the phone in the office. If a student has a private personal issue, their privacy will be considered. If a parent needs to contact a student during the day, they will be asked to call the office. The student will be paged and allowed to come to the office or an appropriate message will be given to the student.

If an athletic event is changed or canceled, the Athletic Director will notify coaches and the office. An announcement will be made to the students. Coaches will notify parents via text and email. The event will also be posted on the Athletic website and sports app. If this change in event requires students to change pick-up times, students will be allowed to use an office phone.

If a student is required to have a phone or smart device for medical reasons, an exception will be made. A doctor's statement must be on file in the office. The student will be asked to use the phone or smart device for medical tracking only and may receive a consequence if the phone or smart device is used otherwise.

Internet and Network Use

The use of Delaware Christian School computers and network services is a privilege, not a right. The use of computers during the school day is for academic purposes only. Delaware Christian School provides a strong Internet filtering system, but the school cannot completely eliminate access to all objectionable material or content. Students are expected to use the school's computers and network services in a responsible, ethical, and legal manner that is consistent with the established behavioral guidelines and student code of conduct.

Students will be required to sign the Acceptable Use of DCS Technology Equipment form prior to gaining access to the school's equipment or network. Failure to adhere to the guidelines may result in suspension or revocation of access to network equipment. Willful or intentional misuse could also lead to disciplinary action or criminal penalties according to applicable state and federal laws.

Students given a Chromebook must abide by the guidelines in the ChromeBook Policy Manual. This manual is given to all students at the time they receive the device. Please contact the IT Department if a student has further questions.

School Security

Building Security

Parent and Student Handbook 2024-2025

Delaware Christian School strives daily to secure the safety of our students. The physical building is locked from the hours of 8:30A.M. to 3:15P.M. during school days. The buildings and playground are surrounded by a locked fence. There are four cameras observing visitor entrances: one is the responsibility of the Church Office, and three are monitored at all times by school office personnel. Visitors must buzz in and be identified in order to enter the building. All visitors (including parents and other guests) then must check in at the school's Main Office, where they may obtain a visitor badge to wear while on school grounds.

- **Volunteers:** We appreciate the support and valuable service of our volunteers at Delaware Christian School. To protect the safety and welfare of our students, we require background checks for any volunteer who will be supervising students when there is not a school employee present. (Examples include, but are not limited to, field trips, sporting events, and work taking place at an individual's home or workplace.) Background checks for volunteers will be provided through Screenpointe, an independent screening company. Screening includes a County Criminal history check, Federal Criminal history check, National Sex Offender records check, Department of Corrections check, and Social Security and name validation.
- **Faculty and Staff:** It is the policy of Delaware Christian School that all teaching and non-teaching employees undergo fingerprinting and background checks through the FBI and BCI when offered employment. FBI checks will be updated for current faculty and staff members every five years.

Security Cards

Some students at Delaware Christian School work in the modular unit on campus. To facilitate access to the main buildings, they receive a security card, which grants them access to the connector door.

- Students must keep the security card on them or in a teacher designated place at all times while on campus and must not give the card to anyone else at any time.
- A student who misplaces the card will have 2 class days to produce it. Failure to produce the card after 2 class days will result in a \$30.00 fine, and the student will be issued a replacement card.
- A student who misplaces a second card will lose the privilege of carrying a security card.

Search and Seizure

For the safety and welfare of Delaware Christian School and the orderly administration of school policies and procedures, Delaware Christian School reserves the following rights:

- To ensure that the classroom is a place of learning, the classroom teacher or other staff may confiscate an item or items deemed unnecessary or distracting to the learning process.
- To ensure the safety of the school family, Delaware Christian School administrators and staff members may conduct an unannounced search of lockers or personal effects and vehicles on school property and seize any item(s) deemed inappropriate or dangerous.

When searches and seizures are carried out they will be done with another staff member as a witness. If the search is made of personal effects, it will be done in private by staff members of the same sex as the

Parent and Student Handbook 2024-2025

student. If a student does not comply with the request, parents will be contacted. As a final step, law enforcement will be called to assist.

Bullying

Bullying occurs when someone in a position of power (physical or social) intentionally and repeatedly engages in behavior that is harmful toward another person. Bullying includes but is not limited to persistent patterns of verbal and/or physical abuse of others and acts of unkindness or cruelty, including threats to other students, slander, utilizing habitually cruel or overbearing comments, utilizing racial slurs, spreading rumors, mocking, belittling, encouraging exclusion, and teasing.

Delaware Christian School has established these guiding principles for students to prevent bullying:

- We will not bully others; rather, we will practice kindness, tenderheartedness, and forgiveness. (Ephesians 4:32)
- We will help others who may be bullied. (Romans 15:1–2)
- We will include all students. (Romans 15:7)
- We will tell an adult at school or at home if we know that someone is being bullied. (Ephesians 5:11–14)

Delaware Christian School will respond to reports of bullying in one of the following ways:

- Students may report observation of bullying or if they themselves are being bullied anonymously by leaving a sealed note in the appropriate principal's mailbox.
- Any false reporting, proven by 3 witnesses will not be considered for consequences.
- In cases where the offense is isolated and incidental, the classroom teacher will handle the situation in accordance with the established classroom rules. The teacher will also communicate with the parents of all students involved.
- In cases where the bullying reports demonstrate a pattern of misbehavior, the situation will be handled by administration in accordance with Delaware Christian School policies. The school administration will also meet with the parents of all students involved.

The consequences for bullying will be proportional to the nature of the offense. The consequences include but are not limited to admonition, counseling, detention, suspension, and/or expulsion. Students may be placed on conduct probation when there is clear evidence that a student's behavior does not meet the standards established by Delaware Christian School.

An accumulation of disciplinary notices, a serious behavior violation, or other behaviors deemed inappropriate by the administration may result in behavior probation. The length of probation will be determined by an administrator, and the student is expected to correct previous behavior problems during this time.

Students on probation will have weekly meetings with a school administrator to evaluate their progress and receive biblical counseling. Students on probation are generally not allowed to participate in extracurricular activities such as sports, field trips, or overnight class trips.

Parent and Student Handbook 2024-2025

Students who do not demonstrate satisfactory improvement in their behavior during the probationary period will be dismissed from Delaware Christian School.

Emotional Security/Counseling

Delaware Christian School recognizes that some students may struggle with emotional difficulties. We want all students to feel safe at school and to learn how to address their difficulties within a biblical worldview. Therefore, the following helps are available to all students:

- A nurse is on campus for students to visit. The nurse can help with headaches and breathing problems. The nurse also can provide a private place for a student to rest before returning to class.
- Each student is assigned to a mentor, who leads a discipleship group. The student meets with this group every week. The mentor also is available for conversations with the student as needed.
- A phone is available in the Main Office for any student who feels the need to speak to a parent.
- Delaware Bible Church offers free, trained biblical counselors. This counseling will be made available to all students and their families when a problem arises. We believe that biblical counseling is a better option than other forms of counseling when non-biological issues are in view. If the family so chooses, the school also will contact the family's local church pastor.

Delaware Christian School is equipped to educate students who generally are able to work through the school day without emotional struggles that would take them out of class. Students who cannot gain control of their emotions during a school day, having exhausted the above remedies, will be asked to leave campus (to enter the care of their parents).

Emotional difficulties are always a challenge for students. We believe that the best policy is to allow the adults in a student's life to help guide the student on his or her unique journey. We also realize that students will want to share their journey with their friends. Our wisdom, guided by experience, informs us that the following guidelines should be adopted:

- Students who want to share their emotional difficulties with their friends should ask for prayer and encouragement, but they should share only general information about the things they are facing. (Example: "I'm just feeling anxious lately, but my parents are helping me through it. Would you pray for me?")
- We would ask that students not share any clinical diagnosis or treatment details with their peers. This level of discussion with peers could slow the student's progress and may even influence other students to think that they might be experiencing the same things, if only out of sympathy for their friend.
- We expect Delaware Christian School and parents to work together to ensure that students who are going through these difficulties clearly understand the limits of what is wise to share. If a student experiencing emotional difficulties is sharing what we consider to be inappropriate details, then out of love and care for that student and their peers, we will need to evaluate whether Delaware Christian School is the right educational choice for them as they walk this journey.

Parent and Student Handbook 2024-2025

General Information

Students Not Enrolled in Delaware Christian School

Students not enrolled in Delaware Christian School will not be allowed on campus, either inside or outside the buildings, during school hours. Students not enrolled will not be allowed to participate in DCS school sponsored events or classes. This prohibition does not include family members picking up a student for an appointment or alumni visiting campus.

Field Trips and Class Trips

Field trips are designed to further develop and expand the educational experiences of Delaware Christian School students. A general permission slip covering the school year's field trips will be issued to parents at the beginning of every school year. The slip must be signed before any student can leave campus with a class or school group. Teachers will notify parents via email of the time, location, and duration of the field trip.

- Any parent driving for a field trip must have completed a background check. An email to complete the background check will be provided in the office. Drivers must also provide a copy of their license and insurance.
- Overnight Class Trips: Delaware Christian School facilitates overnight class trips at multiple grade levels in the middle school and high school. While these trips are designed to enhance students' education, participation in a class trip is a privilege, not a right. Students who fail to exhibit appropriate behavior during the school year may not be allowed to participate in overnight class trips. No student will stay overnight with an adult who is not his or her parent without written permission from the student's parent or guardian.
- Class Trip Attendance: Students who attend class trips will be counted as present for each day of the trip. Students who do not travel with their class are expected to attend school while their class is on the trip unless otherwise notified by administration.

Transportation

Delaware Christian School does not provide transportation to and from school. If busing is not provided by the local school district then parents may receive transportation reimbursements from their local school district according to ODE guidelines. Delaware City Residents will be provided busing by Delaware City Schools. Contact the Delaware Christian main office to sign up for Delaware City bussing.

Lunches

Delaware Christian School provides lunches that are available for purchase on a daily basis. Lunch menus will be available on Sycamore. All lunches will be charged and billed monthly through FACTS.

Parent and Student Handbook 2024-2025

Students may not order food for outside vendors to deliver to the school. Students may not accept outside lunch orders from anyone except their parents. On special occasions, Delaware Christian School faculty may order food from outside vendors for specific pre-approved events.

Students may not leave campus for lunch unless they are accompanied by a parent or have signed permission from a parent to leave campus with another parent, teacher, coach, or pastor.

Restrooms/Locker Rooms

Students, staff, and visitors will use the restrooms/locker rooms that align with their God-assigned gender. According to the DBC Doctrinal Statement, Section VII. Creation: “. . . *We believe that God created mankind in His image, forming all people from conception in the womb and making them His image-bearers throughout life and until the point of natural death when they breathe their last breath; and assigning gender to His people, male (man) and female (woman), as He created them sexually (identified on a physical level) and biologically (identified at a chromosomal level) different, but with equal personal dignity and value.*”

When maintenance is necessary in a girls’ or boys’ restroom/locker room, the custodian/maintenance personnel will call out from outside the restroom/locker room entrance, asking whether the facility is unoccupied. When maintenance personnel are confident that the facility is unoccupied, they will enter. A sign will be posted outside the door of the restroom/locker room, and/or a person will be at the door, alerting students/staff/visitors not to enter while service is underway.

Illness

Students who become ill during the school day should notify their classroom teacher and report to the nurse’s office to call their parents or a guardian.

Students are expected to remain at home when they exhibit any of the following conditions:

- any communicable disease, until treatment or remission, including but not limited to the following: chicken pox, pink eye, strep throat, head lice, or ringworm
- a temperature of 100 degrees or more (The temperature must be normal for 24 hours without the aid of fever-reducing medication before the student returns to school.)
- discharge from the nose and eyes, cough, sore throat, nausea or vomiting, earache, or severe headache

Immunizations

Delaware Christian School adheres to the guidelines developed by the State of Ohio regarding student immunizations. More detailed information regarding student immunization requirements appears in the Delaware Christian School student application materials.

Parent and Student Handbook 2024-2025

Healthcare and Medical Treatment

Families with students having medical conditions are expected to partner with the nurse in establishing an emergency action plan. As a measure of safety, an emergency action plan for any condition which poses a safety risk OR which requires an emergency medication, will need the signature of your child's medical doctor (MD).

First Aid

- Students and staff needing medical attention should report to the nurse's office. The nurse will act in accordance with standard nursing guidelines and will perform care within the scope of legal nursing practice.
- First-aid supplies will be maintained in the nurse's office.
- Standard precautions will be used for all first-aid needs when treatment involves potential blood or other body fluids. All blood and other body fluids exposures will be regarded as infectious, regardless of the perceived status of the source individual. All exposure incidents (transfers of body fluids from one person to another) will be reported to the Main Office and documented in the child's school record. (Each year, all staff are retrained in procedures for handling bloodborne pathogens. The training video is kept in the Main Office.)
- All minor injuries and first-aid treatments given will be recorded in Sycamore. Parents/guardians will also be notified by the current electronic communication system. Parents/guardians will be contacted by telephone if a child has received a head injury, an insect sting, contact with a known severe allergen, or any other significant incident, per the nurse's judgment. In the event of a medical emergency, the school will immediately attempt to contact parents/guardians and emergency response personnel (911) while the nurse attends to the patient.
- Provisions for first aid will be available at all times, including off-site school trips. The personnel in charge of the off-site trip will have a first-aid kit in their possession and will be prepared to use it in case of need.
- All medications for chronic and acute needs will be administered according to the Medicine guidelines. (See below.)

Food Allergy Policy

- Parents will partner with DCS by providing up-to-date up-to-date and factually accurate information about their student(s) health concern(s)
- Parents will supply the school with written orders from the physician as well as medication needed to manage the health condition.
- Staff will be trained annually by a licensed health professional on food allergies, signs and symptoms of anaphylaxis, prevention of allergic reactions, management and administration of epinephrine, and follow-up and reporting procedures.

Parent and Student Handbook 2024-2025

- Classroom teachers will be aware of students in their classrooms with health concerns and food allergies.

Cardiopulmonary Resuscitation (CPR) and Automated External Defibrillator (AED)

- All Delaware Christian School staff and faculty are trained and certified in CPR and AED and will be available during regular school hours to provide early defibrillation and resuscitation to victims who experience sudden cardiac arrest.
- AED units will be housed in the school building in designated, secure, and accessible locations. This equipment will be checked regularly, with documentation of the same kept in the Main Office.
- CPR and AED unit use at away-from-home athletic events is covered in the Athletics Handbook.

Medications

- Students needing medicine during the school day must adhere to the following guidelines:
 - For all students: Over-the-counter medications cannot be given at school greater than one time per week without a medication form signed by a prescriber.
 - Medications which are required to be given daily cannot be given at school (ex. allergy medication); however, the exception is for prescribed medication which is time-sensitive and is ordered to be given at school by a physician (ex. attention medication boosters).
 - All medications, prescription or non-prescription, must be stored in the nurse's office. No medication can be accepted without all required forms on file.
 - Student is responsible to come for his/her medication in the nurse's office at the appropriate time.
 - The only over-the-counter medications which can be administered at school are those which are FDA-approved and have dosing instructions appropriate for the student's age. Any prescribed medications will be administered in accordance with the prescriber's instructions.
- No medications may be carried by students or housed in personal lockers. Exceptions to the policy include inhalers, EpiPens, and other medical devices that need to be kept with the student.
- Only employees who are licensed health professionals or who have completed a medication administration training program conducted by a licensed health professional are designated to administer medications.

Student Photos and Videos

During the school year, many wonderful events occur that we would like to publicize. A school representative may gather photos or video footage highlighting the event and featuring the faces of Delaware Christian School students. These photos or videos would then be shared on the school website, Facebook page, and/or possibly even with the news media. We value your child's participation and would like to include all of our students during their time at Delaware Christian School. If you prefer that your child not be included, please complete the Media Opt Out form, located in the Main Office.
